To Whom It May Concern:

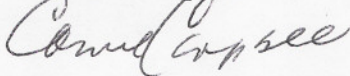

I Connie Campbell 5406 Hickory Forest Drive Houston, TX 77088 would just like to take this time to let your company know what a blessing it has been to work with Deidra and Kevin. They were God sent and have been during the entire ordeal. They have kept me abreast of everything that was going on from beginning to end.

It has been such a pleasure to know that people are concern about you and your feeling in times like these. I'm just overwhelmed about how they have been so supported and took into consideration my feeling and my ideals.

I'm truly grateful with how they have restored my home. I asked God to send me someone that would look out for my good and not take advantage of me and God did that and more. I cannot commend your company enough. Kevin and Deidra have just been angles send by God to watch over one of his children.

God Bless

Connie Campbell
